The Poisonous Worm of Envy

Envy is an inherently Spanish the other wants to overtake it. Mean-
topic; Spaniards are very much in- while I, poor fool, keep walking.

fluenced by the concept
of Envy to the extent
that in order to say that
something is very good
they say "it is enviable".
Envy is the gnawing
worm of merit and
glory.

If envy was to cause
ringworm there would
be a lot of scabby
folks!!!

My right foot is envi-
ous of my left foot;
when one steps ahead
