2018 SAUVIGNON BLANC | LAKE COUNTY

With its cool climate and rich soil, Lake County has a long tradition of producing Sauvignon Blanc fruit that is idyllic for producing a crisp and refreshing wine. The color of this wine is brilliant with a pale straw hue. The aromas are fresh and reminiscent of fresh cut herbs, key lime, pineapple and lemon. The wine's crisp acidity is as fresh as a spring day and the aromas carry over to similar flavors of fresh lime, green apple and lemon.
