CONTACT HAZE
HAZY IPA

The day the world stood still and Elysian brewed a Hazy IPA. Rules were broken to bring you Contact Haze, a tangled chemistry of mild haze, low bitterness, and an explosion of hop aroma. Bursts of bright raspberry, currant, citrus, guava, and passion fruit, with a slight floral note.

BREWHOUSE
We opened our doors in 1996 when bold art and music defined Seattle. We carry that same spirit in the way we brew our beer. It's about taking chances, learning from our missteps, and changing perceptions. Pull up a barstool at elysianbrewing.com.
