ODELL BREWING CO.

Rapture was born out of our obsession with getting the most out of each and every hop. In fact, we built a machine in our brewery to incorporate a unique fresh grind process. By grinding the whole hop we "rupture" the lupulin inside - releasing the oils that give the beer its flavor. And what we grind that day we use that day. Leaving you a beer that's fresh, aromatic, with a bright hoppy character.
