GRAND COLLABORATION

For their 25th anniversary, iconic Texas brewing pioneer Saint Arnold released a blend of their most cherished barrel aged beers with the hope of delivering a beer that is greater than the sum of its parts. We jumped at the chance to collaborate with them on going one step further to finish whisky in the same beer barrels. The result is extremely layered and complex, full of sweet malty notes and fruit, a tribute to a milestone and hopefully many more to come.
