5 SENTIDOS

100% DESTILADO DE AGAVE

This 100-liter field blend of three agaves (Bicuixe, Madrecuixe and Espadin) and one dessert spoon (Cucharillo) is the first time master distiller Atenogenes García and his son José have incorporated wild-harvested Cucharillo (*Dasyllirion Serratifolium*) in their productions. All four species were harvested on the same plot of land in San Isidro Guishe, Oaxaca, and then roasted together in an underground oven for six days with guamuche and mesquite firewood. Post-roast, the agaves were crushed by a large two-ton tahona that was pulled by an old 1960s tractor. The crushed fibers were then allowed to ferment with wild yeasts and calcium-rich well water in two pine tanks. After fermentation was completed, the mash was double-distilled in two copper alembic stills at Atenogenes' palenque, "El Labrador," in San Isidro Guishe, Oaxaca. The resulting distillate was adjusted by Maestro Atenogenes to its current ABV with heads and tails. Produced June 2020. Bottled November 2020.

Cinco Sentidos ("Five Senses") originated as the house agave spirit in Oaxaca's acclaimed restaurant, "El Destilado." Our goal is to bring you uncertified nano-batch agave spirits that highlight varied production processes, agave diversity, and most importantly, the tradition and talents of the "familias magueyeras" who handcraft their spirit with rigor and esteem. Drink With Respect.
