SANTA YNEZ VALLEY

ESTATE BOTTLED BY BECKMEN VINEYARDS,
P.O. Box 542, Los Olivos, CA 95051, USA

All of our wines are 100% estate grown, produced, and bottled. Our wines reflect the unique soils and climate with minimal winemaking intervention. They are produced to fully express the unique soil and climate of our vineyard. 2001 is the third vintage of our better than average vintage, from very warm and perfect growing conditions that have never produced a better vintage of our Cabernet and Reserve blends produce a something wine of deep reserve and complexity. This is the last vintage harvested, but they are a great example of a forward wine with soft tannins and a rich mouth feel.
