Blueberry Wine

New Jersey produces more blueberries than almost any other state in the nation. In fact the high bush blueberry was developed here. Having access to such high quality berries, this Blueberry Wine is our attempt to capture all the rich delicious flavor of the blueberries in a premium wine. By using only the highest quality whole ripe berries and fermenting them with our unique proprietary process we create a wine that is the perfect expression of Blueberry character. It is perfectly sweet and wonderfully aromatic and smooth. This wine is delicious with creamy desserts like chocolate or fruit custard tarts, added to champagne or served chilled.
