AMASS makes premium botanics for modern life.

AMASS Vodka with Marigold, Chamomile, and Lemon celebrates Nordic distilling tradition and the rich, vibrant history of Scandinavian drinking culture. Inspired by the region's long-standing spirit tradition, botanicals are meticulously distilled to create a heart with subtle layers of flowers folded around fresh, hand-grated citrus. The result is an elegant spirit that pays tribute to Copenhagen's long summer evenings and longer winter nights, perfectly suited for a variety of cocktails and seasons.
