**Cabernet Franc
Gran Reserva 2013
D.O. Valle de Lontué**

The wine has a clear, deep and intense cherry red color with ruby hue. The fragrant notes are characterized by its high intensity, elegance and complexity. It is possible to distinguish ripe red fruits, prunes, jam and candy assembled with dry fruit notes like hazelnut and vanilla coming from new oak barrels. In mouth the wine is dry, complex with a high concentration and structured body. The tannins are soft, gentle and velvety adding a great elegance to the wine. It has a long and gentle finish. This wine was kept at least 12 months in American and French oak barrels.
