2016 **EMBANKMENT**

Alexander Valley, Sonoma County
MERLOT

From the rise of the Embankment you get to see vineyards with a distinct balance of aspect, sunlight, water and micro-climate. With the gentle flowing river, east-facing slope and glacial soil once again we have a vineyard perfect for making great wines. Merlot grown in the Alexander Valley is full of soft red fruits. This wine is no exception. Ripe cherry and plum flavors are delicately matched to toasty oak. The tannins are rich and refined. Shows more body than typically seen due to the uniqueness of the site. Eat with chicken, pork or pastas and you will not be disappointed!
