FINCA RÍO NEGRO

VINO DE LA TIERRA DE CASTILLA

This wine's distinct character derives from a unique vineyard situated over 3200 ft in altitude, close to Sierra Norte National Park. On the Rio Negro Estate our wine is produced exclusively with grapes from our own vines, selected and picked by hand, giving prominence to the fields and the fruit.

The result is a wine of intense and complex aroma, predominantly of red and blue berries blended with hints of wood such as coffee, coconut, spices, cloves, cinnamon and cocoa. It is bold, expressive, and flavorful with a long lingering aftertaste.
