MICHEL-SCHLUMBERGER CHARDONNAY "LA BRUME"

La Brume, French for fog, refers to the morning mists that blanket our vineyards on rolling hillsides 17 miles from the Pacific Ocean. Here, on the western edge of Dry Creek Valley, nights are chilly, but the fog lifts early and grapes ripen throughout the day. This superb chardonnay is a blend of fruit from several small vineyard parcels planted with top French clones. Nearly 700 cases were made.
