T brought the winding paths and steep Speyside hills to a narrow neck of land in Scotland. The Balvenie distillery would have been built on the site of the Heather Hills, and how the people behind them helped create the first ever expression of The Balvenie made entirely with ingredients grown on its Dufftown estate.

The Balvenie Distillery is built on the *stories* that are told from each generation of craftspeople to the next. They're our *lifeblood*. It is how we pass on what we know, how we process *experiences*, and how we create new ideas. The Balvenie Stories range documents these tales of *true character*.

From this distillery comes:

[0] THE EDGE OF BURNHEAD WOOD

A delicately fruity and fragrant expression
of The Balvenie, crafted with heather from
The Balvenie estate.
