Yellow Jacket Merlot

2016

estate bottled • Texas High Plains
Merlot

alcohol 15% by vol

Picking our Merlot grapes by hand is always exciting in our vineyard because the yellow jackets love the ripe grape juice just as much as we do. Fortunately, after the first few times we get stung, their stings become less and less painful. Here at Joshua Farm, we naturally ferment our wines using the natural yeast from the grape skins themselves. We would say that our Merlot is a velvety red wine with traits of roasted spiced plums and chocolate cherry cordials. Getting stung by yellow jackets while picking grapes is no fun, but drinking a glass of our Merlot makes it worthwhile.
