McPherson

2014 • CARIGNANE • TEXAS

Carignane, Carinena, Mazuelo are all synonyms for this very old variety of wine grape and is generally recognized as being native to Spain. The grape is high yielding, high acid and generally has a deep color, with moderate tannins; late ripening requires heat, which makes it a perfect fit for Texas. The McPherson Carignane was not barrel aged, but produced exclusively in stainless to give a more fruit forward style, which accentuates the hints of black cherry and berry jams that make this such an attractive variety. We bottled this wine young to nurture these attributes of Carignane, which was one of my father's favorite varietals to enjoy!

McPherson Cellars was created to honor my father, Dr. Clinton "Doc" McPherson, a founder and pioneer of the modern Texas Wine Industry.

Kim McPherson, Winemaker
