Dundee® Festive Ale

Winter ales are as old as winter itself. Well ... not really. But pretty close. They go all the way back to 650 AD. In those days brewers didn't have hops to preserve the beer. So they used spices. Even tree bark. Dundee continues this tradition today with Festive Ale—a hearty and full-bodied ale—brewed with nutmeg, allspice, cinnamon and orange peel spices (sorry, no tree bark) to create a complex but subtle flavor perfect for occasions as cold as the beer itself.
