PECAN PORTER

Brewer's Reserve

PECANS | COFFEE | MAPLE

Aged in Oak Barrels

We're highlighting the best of what a pecan porter offers with additions of maple, coffee, and oak. Maple sweetness balances out the base beer's characteristic nutty, earthy dryness, while the coffee additions further embolden the porter's caramel malt. The finishing oak tailors the sweet maple, leaving a complex and delightful collaboration of bold coffee, earthy pecans, sweet maple, and oak.
