EXPRESSIVE AND VIBRANT

Round and full of flavor, our rum is made from a collection of the finest molasses available. As always, we bring out the best in our ingredients through traditional double distillation in hand-built copper pot stills. This unaged white expression of our Texas Rum is expressive and aromatic, allowing the brightness of the rum to shine through with tropical fruit, rich and coating mouthfeel finishing with hints of smoke and vibrant acidity. Great neat and in your favorite rum based cocktail.
