Since 1997, The Spice Route Winery has made wines from the warm rolling hills along the Cape West Coast.

Chakalaka, a Zulu word that implies togetherness, refers to a truly South African blend of spices, used to add flavour to local dishes. A reflection of the "Rainbow Nation", this wine is inspired by the cultural diversity of which we are justly proud.

Traditional practices in the vineyards and a delicate hand in the cellar craft the Spice Route Chakalaka blend: a sum of many parts selected for their ability to express the soils of the Swartland wine region harmoniously.
