ADORO SAUVIGNON BLANC 2007 WINE OF ORIGIN WESTERN CAPE

In order to capture a unique South African Sauvignon Blanc, we source fruit from various microclimates across the winelands of the Western Cape which express the diversity of soil, climate and exposition with which the Cape is blessed. In this way we are able to combine the best individual qualities from each region. The result is a complex blend of fruit and structure, culminating in a truly South African Sauvignon Blanc.
