TEXAS ALCOHOLIC BEVERAGE COMMISSION

42 Ice Wine is made from grapes that were naturally frozen while hanging on the vines. The frozen grapes were gently pressed, yielding a concentrated juice from which this wine was made. The resulting wine is smooth and silky with rich flavors of peaches, mangoes, apples, and honey. Serve this wine with biscotti, fruit desserts, or by itself as an after dinner drink with friends and family.

Fenn Valley is a small family owned vineyard and winery that was begun in 1973 with the planting of traditional European wine grapes along the shores of Lake Michigan. To this day we we strive to make world class wines that reflect the uniqueness of our cool northern climate.
