## TEXAS ALCOHOLIC BEVERAGE COMMISSION

### Castle Rock

Our Castle Rock Pinot Grigio is produced from grapes grown in Monterey County along the Central Coast of California, where the climate and soil quality provide excellent growing conditions for this varietal. Here, the cooling air from Monterey Bay helps to produce a longer growing season for grapes, with extra hang-time on the vines leading to a characteristic depth of flavor in the wine. Our Pinot Grigio is crisp and light with good texture and acidity, offering delicate flavors of citrus, peach and apple. It makes an excellent accompaniment to fish, soups and many vegetarian dishes.
