## TEXAS ALCOHOLIC BEVERAGE COMMISSION

### ABERRANT CELLARS 2011 *Virtus ex* ~ PINOT NOIR WILLAMETTE VALLEY

*Virtus ex* {strength/virtue of} : Two significant influences [Virtues, as we attest] distinguish the Eola-Amity Hills sub-AVA from all others. Born of two vineyards located within this area, *Virtus ex* ascribes to the theory of showcasing "where", opposed to "how".

**Unum:** Ancient lava flows formed the rocky, shallow soils which naturally limit vigor of the vines and give forth smaller, thicker-skinned clusters which are brimming with intense, concentrated flavors.

**Duo:** Cooling winds flowing east from the Pacific ocean through the Van Duzer corridor temper warm afternoons and cool the nights. This Van Duzer "effect" allows for longer hang times that contribute complexity, while retaining acidity and nerve in the resulting wines.
