TEXAS ALCOHOLIC BEVERAGE COMMISSION

The high Aude region benefits from enviable geographic and climatic conditions, allying the Mediterranean sunshine, which is tempered by the altitude, & the cooler nights characteristic of the Pyrénées foothills. This allows for the slower ripening of the grapes, creating wines of intensity, complexity and finesse.

Mostly hand-picked, this fashionable Pinot Noir variety thrives in the rich red clays and crushed limestone of these high altitude vineyards.

A happy, appealing nose profuse with typical mulberry red fruits tinged with the depth and complexity of subtle oak integration; quite a rich yet savoury palate of bright flavours, lusciously smooth and effortlessly fruity.

A charming medium-bodied red wine that is delicious both with and without food.
