*Legend has it that mystical things happen
in high places... Zeus on Mount Olympus,
Vikings entering Valhalla, King Arthur
and Merlin spinning their magic from the
heights of Camelot.*

Fact has it that great wines are made from grapes
grown in the stressed conditions of high places.
Alterra... above the moist fog of the valley where
water is rare, the personality of our grapes
flourish. Cool at night, warm by day and a long
consistent growing season produce acclaimed
wines of mystical character and intensity.
