TEXAS ALCOHOLIC BEVERAGE COMMISSION

Our goal at Alexander Vineyards is to provide you with the best possible wines. Whether the fruit is sourced from our estate vines or halfway around the world, we strive to find some of the finest expressions of varietals available and produce wines of exceptional quality and integrity.

The **Cabernet Sauvignon** grapes come from northern Napa Valley, the region we believe produces some of the finest domestic cabs. This wine is both full-bodied and very smooth on the palate making it very approachable when young, but made to age well.
