MARSANNE

As a variety, Marsanne has a relatively obscure history, and as a wine it is far better known as a component of blends, rather than a standalone varietal. Here at McPherson Cellars however, we believe the wine's viscosity is charming, pleasantly round, and full bodied—the subtle citrus fruit flavors and delicate aromas of toasted almonds were just too good to be blended! And this year, we decided a pure Marsanne was in order. Enjoy this wine in place of Chardonnay..It will definitely make a believer out of you as well!

McPherson Cellars was created to honor my father, Dr. Clinton "Doc" McPherson, a founder and pioneer of the modern Texas Wine Industry.
