PINOT NOIR ROSÉ
ARROYO SECO, MONTEREY

My family has been sustainably farming winegrapes in Arroyo Seco since the 1960s. With a long, cool growing season and river gravel soils, this region is ideal for Pinot Noir. Our small lot wine is sourced from carefully selected blocks on these estate vineyards located in the northwestern corner of Arroyo Seco. This beautiful Rosé is completely dry, and fermented in stainless steel tanks to retain its bright, crisp acidity. With undertones of raspberry, pear and floral notes, this wine represents the culmination of five generations of our family's winemaking tradition. Enjoy.
