REGION 1

Mendoza · Argentina

MALBEC

Malbec is the most emblematic variety from Argentina. Originally from Cahors, France, the grape is also found in Argentina's perfect terroir. This deep, dark red wine with violet traces is an excellent example of this terroir. The wine has a generous and complex aroma of red fruits such as plums, cherries, and raspberries. Region 1 Malbec is the perfect companion for red meats, cheese and roasted meat. Ideal temperature consumption from 60° F to 64° F.

We source the noblest grapes from vineyards located at the foot of the Andes where the excellent soil quality, the dry sunny climate and the pure water from the ice caps give these unique wines its perfect balance.
