RED WINE

What if we could capture style and hold it in a bottle? What if personality – audacious, passionate, unique, subtle, mysterious – was revealed from one bottle to another by a number until it was all held in a limited collection of fine wines? That is the spirit of my JCB collection of wines... a new way of exploring taste and style. Two worlds uniting as one create a sum greater than its parts: one plus one equals three! Inspired by the birth of our twins that bear the imprint of the old world and the new, this wine celebrates the marriage of two wine worlds united to create a grander vision in which oceans may separate us, but wines unite us... JCB #3 is the best of both worlds!
