Our goal at Alexander Vineyards is to provide you with the best possible wines. Whether the fruit is sourced from our estate vines or halfway around the world, we strive to find some of the finest expressions of varietals available and produce wines of exceptional quality and integrity.

Petite Sirah is a grape that produces a dark, inky colored wine that has a firm texture and mouth feel with notes of plum, dark berries and pepper. The grapes come from northern Napa Valley where they benefit from warm days, and cool ocean breezes overnight that help the fruit recover from the daily heat.
