RED WINE

King of Valpolicella, Amarone is a wine obtained by the "appassimento" (grape-drying process) of indigenous grape varieties typical of the hills north of the city of Verona. Intense ruby red color. On the nose it is complex, with scents of ripe red fruit and spices. On the palate it is round, rich, with a good structure and sweet tannins making the wine extremely pleasant. Perfect with fall and winter dishes like braised, stewed and roast meat. It also matches well with cold cuts and aged cheese. Serve at 61°-65° F.
