EAST MEETS WEST MEETS EAST

A subtle and elegant take on our Texas Single Malt, FR.OAK is inspired by throwback old world ingredients and processes, matured in our new world cooperage, then finished in gorgeous french oak casks. Not simply a recreation or imitation of traditional single malts, Balcones makes Texas Single Malt. The french oak imparts a unique oakiness, and allows us to enhance some specific aspects of our single malt and showcase notes that are usually in the background. We hope you enjoy.
