PAUL DOLAN®

VINEYARDS

PINOT NOIR

POTTER VALLEY, MENDOCINO

2011

ALC. 13.5% BY VOL.

Made with Organically Grown Grapes

The vineyards that produced this Pinot Noir are located on the remote, southwestern outskirts of the Mendocino National Forest. Here the soils are rich and deep, imparting flavors that hint at the nearby wilderness. Medium-bodied, this wine is a harmonious blend of flavors: wild berries, luscious cherries, and the spicy vanilla of roasted oak.

This wine is the unique expression of a carefully nurtured piece of land, made manifest in each bottle. We do without conventional pesticides and synthetic fertilizers, treating the soil as a living, life-giving system. Our winegrowing practices create special wines, while sustaining our environment, the place where we live, and the people who live here.
