All our wines are carefully aged in barriques for 22 months, keeping all different fermentations from each individual parcel in which we have divided our vineyards, completely separated until the final blending takes place. We always look for the different particularities of each lot, their uniqueness and the way they complement one and another. One north facing parcel showed some new flavors and characters that we felt worth being "left" on it´s own.

In our lives there are moments and wines that mark our Winemaking lives which in turn make up our curriculums. This wine was one of them. We called it CV- Curriculum Vitae.
