WESTLAND AMERICAN SINGLE MALT

Our flagship Westland American Single Malt Whiskey represents the truest expression of our house style. At the core of this whiskey is a grain bill comprised of five different roasted and kilned barley malts giving it a character unique to Westland Distillery. The base is a pale malt, grown in the State of Washington. To that we add specialty malts, a concept inspired by the vibrant craft brewing culture of the Pacific Northwest. Deep and rich in flavors, these specialty malts contribute to notes of chocolate, nuts, cookies, pastries, mocha, caramel and raisins. Our Belgian brewer's yeast further enhances flavor development, creating fruity esters during fermentation. Maturing predominantly in the finest new American oak casks complements our other choices with vanilla, caramel and coconut notes, leaving us with an approachable and mature whiskey.
