CARINAE

HARMONIE MALBEC 2016
RED WINE
MENDOZA

Carinae (latin: from Carina). Carina -one of the most stunning constellations in the southern sky, situated in the milky way- is comprised of a multitude of stars. Carina looks down upon our vineyards every night during harvest.

This wine is produced with grapes grown in our vineyards of Perdriel and Cruz de Piedra, it shows an intense color and a good concentration. Typical notes of this variety can be found, as red berries and plums, with an aging of 12 months in french oak barrels.
