We're from Texas, so drinking to stay warm isn't exactly necessary. But this hefty Golden Ale with its crisp, dry finish certainly does the trick. At 9.6% ABV, it's the perfect winter warmer to enjoy while you spend a little more quality time out front with friends no matter what the weather is like.

GOVERNMENT WARNING: (1) According to the Surgeon General, women should not drink alcoholic beverages during pregnancy because of the risk of birth defects. (2) Consumption of alcoholic beverages impairs your ability to drive a car or operate machinery, and may cause health problems.
