Selected Harvest

Wine made with selected Tempranillo grapes from the Rioja Alta area, harvested manually at their best moment of ripeness. It was fermented in temperature controlled vats, macerated to obtain the best from the grape and aged in American and French oak barriques. Bottled unfiltered to keep it natural, we recommend to decant it should sediments appear. For a good conservation keep it lying in a dry and airy place. It will evolve for the next ten years.
