2018 CALIFORNIA CHARDONNAY

These Chardonnay grapes come from vineyards that benefit from rich soils and cool nights due to the influences of the Pacific Ocean. This allows the fruit to mature and have a proper balance between fruit character and structure. This wine has a brilliant golden straw color with aromas of citrus and tropical notes. The palate has crispness and you will find characteristics of melon, citrus fruit, apples and a slight bit of tropical fruit on the nose that carries through to the finish.
