FINCA RÍO NEGRO

2016

El carácter único de este vino es la expresión de un pago singular situado a una inusual altitud, de suelos complejos y lejos de cualquier otro viñedo, junto al Parque Natural Sierra Norte. Nuestros vinos proceden exclusivamente de viñedos propios, siendo elaborados, criados y embotellados en la finca.

PRODUCT OF SPAIN

This wine comes from a dedicated part of our vineyards situated 992 meters above sea level.

The unique character of this wine is the expression of a single "terroir" situated at an unusual altitude, of complex soils and far from other vineyards, close to the National Park of Guadalajara. Our wines are produced exclusively from our vineyards, being elaborated, aged and bottled on the family estate.
