FROVINO PEACH MANGO WINE SLUSHY

Chateau Diana Winery is located in the majestic Dry Creek Valley just outside of the small town of Healdsburg, California. Founded by Tom and Diane Manning in 1981, the winery is still family owned and operated by their children, Dawn and Corey Manning. FroVino was created in the spirit of good life, fun and enjoying the company of those around us. Thousands of customers visit our tasting room every year to experience the magic of our winery and the FroVino Experience. We now offer you the same experience with our FroVino take home pouch.

FroVino Peach Mango is one of our most requested flavors at our tasting room. A blast of peach and mango combined with the smooth ice feel is a magical experience.

Party Preparation: Pour 1/2 contents of this pouch into a blender, add 6 cups of ice, mix on high for approximately 15 seconds. Add more ice to taste. For those who have a slushy machine, please go to chateauaud.com/vinomeup for more information.

Toppings: At our tasting room we top every FroVino with a candy treat! Try these: Candy Peach Rings, Soft Sour Candy or Fresh Slices of Mango or Peach. For added sweetness, rim your glass with sugar. Enjoy.

FroVino Pouches require 95% less energy to make than a glass bottle. Please recycle where permitted.
