Sweet Riesling

Cerro Santo Vineyards
Texas High Plains

2019

Cerro Santo Vineyard's original plantings included the vines from which this Riesling is made. It reflects the character of the land from which it comes, and embodies the color of summer's long, bright days on the Texas High Plains. Our sweet Riesling is true to the traditional aromatic Riesling profile, featuring green apple and sweet floral aromas offset by tangy lemon and apricot flavors. It pairs well with fish, Asian dishes, and milder cheeses like mozzarella and fontina; serve chilled and enjoy it with good friends and family.

At Adelphos Cellars.

We believe wine is all about family. The word "adelphos" translates to "brethren" from the ancient Greek. The certainty that sharing an inspiring bottle of great wine brings us together as brothers and sisters, mothers and daughters, fathers and sons, is what drives our passion for making this wine. We invite you to share the fruits of our labor, in the hope that enjoying this bottle with those you love will bind us all closer together as one family. Welcome to ours.
