Who is (512)?

(512) Brewing Company is a small microbrewery focused on providing Austin and its surrounding areas with high quality, full flavored original ales using as many local, domestic and organic ingredients as possible.

What's Inside?

(512) Double Pecan Porter is a robust porter accented by locally grown roasted pecans and subtly enhanced by aging in recently emptied oak whiskey barrels for two months. For this first ever bottling, only one 200L barrel was bottled. Notes of chocolate, coffee and pecan marry with the subtle flavors of vanilla and whiskey to make this a wonderful winter warmer worth sharing and savoring. We sincerely hope you enjoy every sip.
