TEXAS ALCOHOLIC BEVERAGE COMMISSION

Columna 2010

GRAPES 100% Albariño

THE WINE produced from vines that were planted in 1978 and tended on the classic Pergola system. It is 100% un-oaked. The Albariño grape (aka the liquid gold of Galicia), is often described as delicate, floral, and feminine.

LOCATION Rias Baixas/Subzone of Condado de Tea (Zone 1) in Galicia, north-western corner of Spain right above Portugal. It is a fresh and verdant land that has gushing rivers and a coastline more reminiscent of Scotland than Spain. The vineyards are on the riverbanks of the Miño river at 40m (131') elevation. The soils here are composed of granite and slate.

CLIMATE from April to October average temperature of 17.4°C (63° F) and yearly rainfall of 1,702 mm (67").

750ML e ALC. 12.5% BY VOL.
12.5% ALC./VOL. 750 ML
