Cullen 2020 Amber Wine Margaret River

Cullen Wines respectfully acknowledges the Wadandi people, past and present, traditional custodians of the land on which this wine was grown. Cullen Wines is a naturally powered, Carbon Positive estate in Wilyabrup, Margaret River.

This year's Amber is a blend of 52% Sauvignon Blanc and 48% Semillon off the Cullen vineyard. The harvest occurred during the Moon opposite Saturn Full Moon in early February and during the new Moon a few weeks later to capture their juxtaposing influences. After a short skin contact time in both amphorae and stainless steel the wine was matured in older oak for 3 months. The result is fresh and vibrant, with an alluring complexity from skin contact fermentation that will continue to develop with bottle age.
