PINOT NOIR 2013

MARLBOROUGH - NEW ZEALAND

We occupy a special place in New Zealand, where the skies are wider and the mountains taller – the space to fly higher. Over long years the rivers have built the perfect home for grapevines, allowing us to capture the spirit and intensity of the land. In this bottle, the character of Marlborough wine has found its true expression.

Grapes from selected Marlborough vineyards have been carefully fermented and blended to retain sweet cherry and warm spice aromas. The palate is layered with velvety tannins giving this wine great texture and length.
