2013 SHIRAZ

We love to source our food from the wild or grow it at home.
Nothing beats the taste of food and wine as nature intended it
- **real:** pure, slow grown and full of flavor.

Just like this Shiraz, with a dash of Viognier, which bursts with
forest fruit, pepper and spice. Perfect with all manner of
meaty morsels.

So like us, why not keep it real and go wild with food and
wine matching...

REAL WINE FOR REAL FOOD *Are you Game?*
