Carignane

2013

Vintage – the year in which a wine was produced, connected to a specific harvest of grapes.

Appellation – a defined geographical indication; place.

VINTJS (vintages) – expressions of time and place, bottled in limited quantity.

Carignane is one of the world's oldest wine grape varieties, having likely originated in Spain thousands of years ago. This delicious wine expertly showcases the Carignane varietal with ripe blackberry and plum notes, roasted almond and chocolate undertones and a well-balanced, round finish.
